

# Do you have some time?

Boys and Girls Country loves volunteers – and we need many! If you have one day a week, or even one to two days a month, and are interested in sharing yourself with our Home and children, do we have a place for you! Listed below are just a few opportunities here at Boys and Girls Country that can be adapted to fit your availability. Please contact George O’Neal at (281) 351-4976 extension 225 or [george.oneal@boysandgirlscountry.org](mailto:george.oneal@boysandgirlscountry.org) for further information.

*All volunteers must successfully complete a background check prior to service. Sorry, we cannot offer court-ordered community service.*
