## Benefiting Boys and Girls Country

Boys and Girls Country is a Christian Home, providing children from families in crisis with love, security, a sense of self worth and opportunities to prepare them for a successful life. In addition to the 88 children who live on campus, Boys and Girls Country supports 72 recent high school graduates who are away at college, in the military, attending trade school, or in the work force.

Established 38 years ago, the Home is located in northwest Houston and has served over one thousand children.
