

Charlene Johnson's earliest memories are of her grandmother serving those in need; ever since, it's been her dream to make a difference in the world. She is making that dream a reality through her volunteer work with Boys and Girls Country and CPS Kinder Shelter.

Charlene has given many hours of her time to cut and style our kids' hair, helping them look their best and increasing their confidence. Charlene loves volunteering at BGC because she makes an impact on each child during their brief yet meaningful encounter and feels rewarded by their smiles, and she teaches that we are all beautiful in God's eyes. Thank you, Charlene, for being a beautiful example!

Spring Festival Needs

With Spring Festival less than one month away, we are looking for donations of complete baskets for the festival silent auction (there are endless themes: summer fun, BBQ, game night, college/professional sports, pets, crafts, gardening, man cave, etc.). Please contact [Shannon Smith](#) for more information.

Daily, Boys and Girls Country witnesses God's provision through generous donors and volunteers. **Fred Adams** has supported our kids for many years, stepping up right when we need help and quietly saving the day. He recently supplied mortar and cement to replace the rotting wood surrounding the education garden flower beds. These beds grow beautiful veggies that nourish our kids. Thank you, Fred, for having a huge heart for Boys and Girls Country!

Thank you to all the **Cotillion Connection families** for blessing our kids with much needed cereal and laundry supplies.

We so appreciate **Salyards Middle School** volunteers' completion of a huge cleaning project that made our campus sparkle!

Thank you to the second grade class at **Christ the Redeemer Catholic School** for much needed food items as well as prayer and thoughtful Valentines for each of our children.

Girl Scout Troop 202, we appreciate your efforts to collect much needed food and hygiene products for the kids of BGC!

The **NCL Cypress Gems** help BGC in so many creative ways, such as a freezer meal preparation event, complete with nutritional education! Your partnership is so vital to the success of our mission.
THANK YOU!

The **Second Saturday Missions Group** from **Cypress Family Fellowship** knows a thing or two about preparing a delicious brunch! Thank you for blessing our cottage families with this treat.

Texas Topaz NCL recognizes the benefits of a sweet treat; our campus was all smiles after digging into the wonderful baked goods they donated. Thank you so much!

Thank you, **Patricia Noble**, for sharing your creative baking talent to inspire these masterpieces!

Lia Mote donated her expertise and time to teach our juniors and seniors interviewing skills for college and employment. Thank you for blessing these teens with information that will benefit them for a lifetime!

Many thanks to the **Woodlands High School** for an excellent soccer clinic and lunch!

Mardi Gras theme, treats and Bunco make for the perfect evening, thanks to the **NCL Cypress Gems**!

The **NCL Cypress Belles** plus nail polish, brownies and car pool karaoke equal an incredibly fun girls' night! Thank you for a great evening!

Thank you **NCL Cypress Gems** for the generous donation of supplies and volunteer time. The spring crop is well on its way in the BGC Education Garden!

BGC greatly appreciates our partnership with **Rotary Club of University Area and Duchesne Academy**, helping us to maintain a beautiful campus through generous donations and volunteer work.

Thank you to all the wonderful volunteers from **St. Anthony of Padua**, who brought a mountain of clothes for the clothing closet and volunteered their time for a morning of cleaning, soccer and a fun lunch afterwards.

Thank you **Bayou City Fellowship** for spoiling our staff with delicious treats and wonderful friendship!

Ella Barnes, Cara Hudson, Lauren Allen, and Sophia McKelvey belong to **Girl Scout Troop 14406**. They are earning their Silver Award through a project designed to elicit inner leadership, organization skills, and determination. They took on the monumental task of creating an organizational system for the Education Lab school supply closet. BGC is very grateful for their work!

Join us for Spring Festival Saturday, May 6 from 11am-8pm!

Enjoy carnival food, fun and Christian bands, including Robbie Seay Band, Hollyn, Tedashii & KB.
