Our Church Home

Did you know each Cottage family attends a different church in the community? Cottage 5 shared what their kids get out of church: "Our children really enjoy going to Fairfield Baptist. **It feeds all their spiritual needs and gives them a connection to the community.** This spring they attended a youth retreat as well as the 5th grade lock-in. We also love serving at our Birthday sponsors' church, Faith UMC. We recently went to help with their pancake supper and had a blast! We see our children grow and blossom when they serve others."

About Boys and Girls Country

In 1971, Tommy and Jean Robinson founded Boys and Girls Country with \$25 and two acres of land. Their intent-to provide a Christian home for children from families in crisis-has been the mission of BGC ever since.

Every year, more than 100 children and young adults from families in crisis call Boys and Girls Country home. It costs \$150 per day to care for one child at Boys and Girls Country. We can't do it without your gifts of time, treasure and talent. Thank you for investing in our kids!
