

I'm genuinely moved by the selflessness of all of you who are part of the BGC family. There are so many stories and examples of how the staff and volunteers at BGC make meaningful contributions to the lives of our kids. Call me sentimental, but I get choked up more than I care to admit when I think about your gifts of time and talent. Just remember, every file you file, every can of food you shelve or hour you spend in the Ed Lab, you are contributing to the success and continuity of care provided to the kids who call this home. You are blessing someone each time you volunteer.

Words cannot fully express our gratitude, but know that you are truly appreciated. I pray that you see the fruit of your labor in the smiles of these precious children.

For the second year in a row, the **Cy-Ranch Soccer Team** has designated Boys and Girls Country as the Game for a Cause beneficiary. Not only did they treat our kids to goodies and fun at the game, but they collected much needed food/hygiene items and monetary donations. We truly appreciate your

support!
