

**We love our volunteers - you are helping grow children for life!**

Feeling drawn to help others, **Brittiny Brown** decided to research volunteer options in the area. After learning about all that Boys and Girls Country offers to children in need, Brittiny knew she'd found the perfect place to volunteer. She enjoys helping others and directly making a difference in their lives, something she does each time she visits our campus.

Over the last two years, Brittiny has volunteered as a tutor, an administrative aide, Spring Festival assistant and currently mentors one of our girls. As a mentor, Brittiny's visits with her mentee provide additional support instrumental to establishing a firm foundation in a young person's life.

Describing her BGC volunteer involvement, Brittiny says, "It's an amazing and very fulfilling experience. If you're thinking about volunteering here, do it. The children, as well as the staff, are truly a blessing. It is truly an amazing place."

Thank you, Brittiny, for countless hours of commitment to the BGC family. We excel in what we do because of wonderful volunteers like you!

Volunteers are the cornerstone of successful fundraising events. **Yellow Rose NCL** is no exception, especially at events like the Heritage Award Dinner. Thank you for your hard work and dedication!

Many thanks to **Patricia Noble** for sharing her art talent with our kids through monthly art classes.

Thank you to the born-organized ladies of **Yellow Rose NCL** for restoring order to the Costume Closet and Art Room!

A big thank you to **Cypress Family Fellowship's Second Saturday Missions Group** for blessing several cottages with a delicious brunch. A delicious meal and no cooking equal a double treat for a cottage!

**Michael Casey**, Uncle to teaching parent Ann, is everyone's favorite, especially when he surprises the kids with ice cream. Thank you for a yummy treat!

Not only do the **Cypress Gems (NCL)** bake awesome desserts, they also serve them along with a wonderful Thanks 'n' Giving meal for the entire campus. They ensure a beautiful event by creating centerpieces, setting up the

room and cleaning when it's all over. Thank you for being such an integral part of our most cherished traditions.
