

BGC Family Encourages Kids to "Let Your Light Shine" Matthew 5:16

Children's Awards Banquet

Each summer we take an evening to recognize the incredible accomplishments of our kids over the past school year. The Children's Awards Banquet brings together our campus family to honor our children for their good grades, personal progress, community service and more.

Albert received the "Tommy and Jean Robinson Award" for his selfless community service.

Trenegy Career Day Kids benefit from professional development workshop

We are so grateful for our corporate sponsors who go above and beyond to provide our kids with resources for their future. Trenegy held a

career workshop last week to help our juniors and seniors plan for the future, set goals, and think about life after graduation. Our students took a personality test, worked on their resumes, and enjoyed a casual Q&A session with Trenegy's young employees.

About Boys and Girls Country

In 1971, Tommy and Jean Robinson founded Boys and Girls Country with \$25 and two acres of land. Their intent-to provide a Christian home for children from families in crisis-has been the mission of BGC ever since.

Every year, more than 100 children and young adults from families in crisis call Boys and Girls Country home. It costs \$146 per day to care for one child at Boys and Girls Country. We can't do it without your gifts of time, treasure and talent. Thank you for investing in our kids!
