

7 Seniors Graduating because of amazing support

Donors help our kids cross the finish line

Graduation at Boys and Girls Country is such a joyful time! It's not just about our kids' accomplishments, **it's a moment to recognize how our entire community of donors, volunteers, and Board Directors lift up and invest in the Boys and Girls Country kids.**

Because of your generous donations of time and treasure, these 7 young adults have a bright future whether they are joining the military, moving to College & Career and starting classes, or taking a break to spend time with family and re-assess their goals. Your gifts have provided these young adults with a valuable foundation of Christianity, family, and life skills. Thank you for celebrating with us this weekend and please keep Kelly, Brianna, Natalya, Joseph, Jacob, Naidi and Helen in your prayers.

Mother's Day Message Raising Godly Young Men

Mother's Day is extra special at Boys and Girls Country. This year, one of our boys went above and beyond for his Teaching Mom, bringing her flowers and a handwritten card. She shared: "When we read the card we both had joy and tears at the same time. His message is real and very humbling to my husband and I."

"Ms. Madela, Thank you for always being there for me. Since day one, you've had high expectations for me and I'm grateful for that.

I love your sense of humor, loyalty, and respect. I am blessed times 10 to have you in my life. Love always, Deven"

Best Prom Night Ever

Your support makes memories that last a lifetime

Waller Prom was last Friday and our kids had a great time and looked amazing! Thanks to everyone who pitched in to give them a night to remember. We have so many wonderful volunteers and resources who help our kids with dresses, flowers, prom survival bags, hair, and more. A group of our girls went as together with their dates to the same restaurant before heading to prom. The most memorable moment of the night was when our own graduating senior, Joseph, was crowned Prom King! What a great night!

About Boys and Girls Country

In 1971, Tommy and Jean Robinson founded Boys and Girls Country with \$25 and two acres of land. Their intent-to provide a Christian home for children from families in crisis-has been the mission of BGC ever since.

Every year, more than 100 children and young adults from families in crisis call Boys and Girls Country home. It costs \$150 per day to care for one child at Boys and Girls Country. We can't do it without your gifts of time, treasure and talent. Thank you for investing in our kids!
